## **19. SUBSTITUTION OF PLAYERS**

- 19.1 Each team is permitted to substitute any player during a match and at any time. However, no substitution will be permitted following the award of a penalty corner and during the play time of this penalty corner except if the defending goalkeeper is incapacitated or suspended and has to leave the field of play in which case the replacement may enter the field of play immediately.

*Note: If a suspended goalkeeper is replaced by another goalkeeper, the team will have to remove one other field player; the offending team could only have 10 players on the Field of Play during the period of suspension.*

- 19.2 The substitute players will be chosen from amongst the players whose names appear on the entry form and who were starting the match or sitting on the team bench from the start of the match. When substituted, a player shall go immediately to the team bench.

- 19.3 A player who has been substituted may be permitted to return to the Field of Play again during the same match following the substitution procedure.
- 19.4 Substitution of a player may only take place under the supervision of a Technical Officials' Table official and the substitute player may not enter the Field of Play until the player in the same team being substituted has left it.
- 19.5 Each team may play with:
- 19.5.1 A goalkeeper with goalkeeping privileges wearing full protective equipment composed of at least headgear, leg guards and kickers and different colour shirt;  
or

## **20. DISCIPLINARY ACTIONS**

20.1 The following demerit points will be enforced for disciplinary actions taken during the course of the tournament:

Green Card:	2 points
Yellow Card:	4 points
Red Card:	8 points

**The points for green card would only be used to determine Fair play and would not be used to determine suspension.**

20.2 The following disciplinary actions are mandatory based on the demerit points:

08 demerit points:	1-match suspension
12 demerit points:	2-match suspension
16 demerit points:	3-match suspension
20 demerit points:	suspension for the rest of the tournament

### **Interpretation:**

*If a player, after having accumulated 8 demerit points, receives a Yellow Card in a match, he would serve a 2-match suspension. Although the above schedule reads a 2 match suspension for 12 demerit points, the reason for the player to be suspended for 1 match only is that he would have already served a 1 match suspension upon accumulating 8 demerit points.*

20.3 The TD shall have the powers to suspend a player who received permanent suspension in a match for more than one match, depending on the seriousness of the offence.

20.4 The TO on duty for a particular match shall have the powers to remove, from the team bench, any player or official for misconduct. The offending player or official shall be then referred to the TD for further action.

20.5 The TD shall have the powers to refer, to the MHCDC, any player or official for breach of discipline, on or off the field.

20.6 The procedure for all disciplinary cases, referred to the MHCDC are as follows:

20.6.1 The TD for that tournament must submit a full report on the alleged offence to the MHC Competitions Manager. The report must be received by the MHC Competitions Manager within 72 hours of the alleged offence.

- 20.6.2 Upon receipt of the report, the MHC Competitions Manager shall submit, on the same day or the very latest the next day, the same to the Competitions Chairman, MHC.
- 20.6.3 Upon receipt of the report, the Competitions Chairman MHC shall consult the Chairman of the MHCDC and convene a meeting of the MHCDC within 14 days from the date of the alleged offence.
- 20.7 A player suspended from playing in a match will not sit on the team bench during that given match.
- 20.8 **The demerit points will be carried forward from the preliminary round to the finals.**

## **21. PROTEST**

- 21.1 If a team manager wishes to lodge a protest at the end of a match, then such a protest must be in writing in the prescribed form and handed to the Technical Officer on duty within ten (10) minutes of the match ending declaring the intention to do so when signing the match report by noting the intention immediately under the signature. If the text of the protest is not received in writing prior to the expiry of the ten (10) minutes, then it will be deemed that no protest has been registered.
- 21.2 The protest having been properly declared, the team manager will then have a further fifteen (15) minutes to remit to the same TO a cash deposit of **RM 500.00**. Upon failure to do so, the protest will be considered void. The deposit will be refunded unless the protest is deemed futile.
- 21.3 The TD must make a decision in writing at the latest 72 hours after the end of the match in question. **The TD will not entertain any protest from the decision of an umpire or appointment of umpires for a match.**

## **22. APPEALS**

- 22.1 If one or both teams involved in a protest wish to appeal against the decision of the TD, the Team Manager(s) must do so in writing within 24 hours after the decision of the TD. If no appeal is lodged, then the decision of the TD is final.
- 22.2 Appeals must be handed to the Competitions Manager MHC together with a cash deposit of **RM 700.00**. The deposit will be refunded unless the appeal is deemed futile.

**25. MATCH REPORT FORMS**

- 25.1 At the end of a match, a Match Report is produced at the technical table. This is a summary of the match showing the names of all players, team officials and technical officials nominated for the match and the key match statistics, including the result.
- 25.2 Within ten minutes of the end of the match, the Team Manager of each participating team must sign the Match Report, even if a protest is contemplated.
